From the Principal’s Desk

Welcome to week 9. This week is FETE preparation week! Please join us on Friday between 1:00 and 3:00 to be part of the exciting activities that Staff have prepared for your children. The P&C will be operating a BBQ so pop in and join us for Lunch. Thank you to all parents who have already contributed towards the Fete… with Trash and Treasure, playdough, plants, cakes, fruit, volunteering your time etc. This is a major fundraiser for our school and your contribution, no matter how big or small, is greatly appreciated! We hope to see you on Friday! On Thursday we welcomed Mr Brad Russell, Director, Public Schools to our WWPS. He was very impressed with how well we are embedding our School Plan into our teaching, learning and professional development. We know we have a great school and it was very pleasing to have that reaffirmed by our Education Director! A huge thank you to all the families who attended our Kindergarten 2016 Open Day last Friday. It was a pleasure for staff to show you around the school and wonderful to see some of the excited little faces of next year’s Kindergarten. Have a good week.

Ruth Pidgeon
Assistant Principal.

2015 Sporting Review

As another school sporting year comes to close I felt it fitting to capture all the highlights our children have achieved this year. I would also like to sincerely thank our parents, grandparents, local sporting coaches and staff who have assisted our students in achieving their sporting goals throughout the year. Sport teaches our children many life lessons:

1 How to win and lose gracefully
2 To be apart of a team
3 To strive for greatness
4 To work hard and achieve a goal
5 To learn from mistakes.
